Safety Accessories

EVACK1003 – EVAC AID

Constructed of heavy fire resistant material (which meets FMVSS302) and reinforced edges over the full length, this product is built to ensure reliability. The Evac-Aide also includes a storage pouch.

FBVC-1 – FIRE BLANKET

Easily mountable to any wall, the red pouch of the Fire Blanket makes this product easily identified during an emergency. The Fire Blanket meets FMVSS 302, the standard for flammability of clothing and provides quick and dependable response to assist in smothering some types of small fires.

SBBG – SEATBELT BUCKLE GUARD

SBC1004 – SEAT BELT CUTTER

The SafeCut also comes with velcro stripping to easily attach to any surface and includes hardware for easy mounting.

SWSC - Steering Wheel Cover

Great for school buses and trucks, the Steering Wheel Cover informs drivers and mechanics that the vehicle is currently under maintenance and alerts personnel that moving the vehicle may be dangerous.

WCPOUCH-1 - Universal Pouch

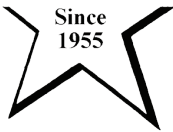

Made from high quality materials and built to last, the Universal Storage Pouch utilizes durable construction to allow for storage of any item from important paperwork to wheel chair securements.

Can be mounted easily to any wall and mesh sides allow moisture to escape to prevent mold and mildew.
