**CTS
REAR ENGINE**

SPECIFICATIONS

When style and capacity count, this quiet rear engine model allows for optimum space utilization and hauling capacity. Panoramic windows, restroom capability, and exceptional storage capacity makes the CTS RE a perfect fit for a commuter shuttle, tour and as an over the road coach.

Built like a Champion.

- Newly redesigned FRP exterior offers a sleek look and easy maintenance
- Graphics packages and paint schemes to surpass any customers expectations
- High floor designs and optional ADA configurations available
- Ideal for the Tour and Charter Market Segment
- Ergonomic front dash and drivers area
- Optional pass through underbody storage

*Varies based on your state and the options selected. *Photo shown with optional equipment.
